I AM ME.

**I take pride in the fact
that I am totally different
from anyone else in the world.**

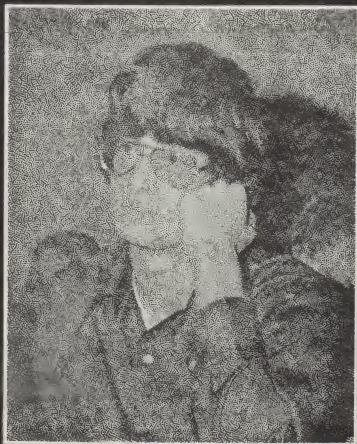

**I'm not super special,
but I've learned to take
what I have and
work from there.**

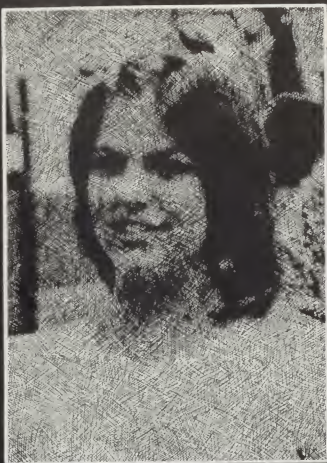

I HAVE MY OWN
values, beliefs, and ideas.
I want to do what
I want to do and
I want to be what
I want to be.

WHAT KIND OF PERSON AM I?

Am I good?

Am I kind?

Am I honest?

Am I loving?

Do I have talents?

Judge me on these things;
but, that I am a teenager
tells you so little.

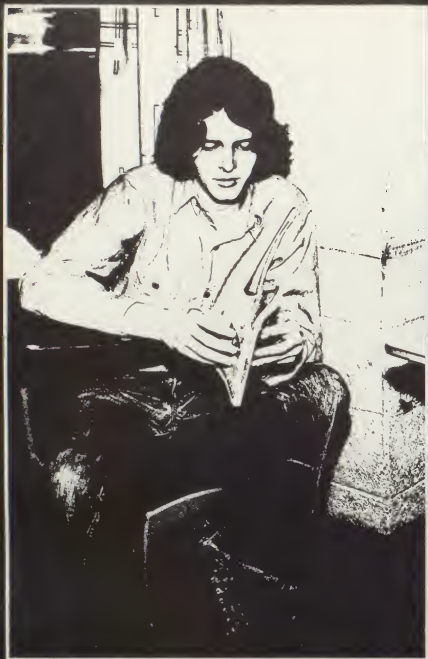

MHS THAT'S MY SCHOOL.

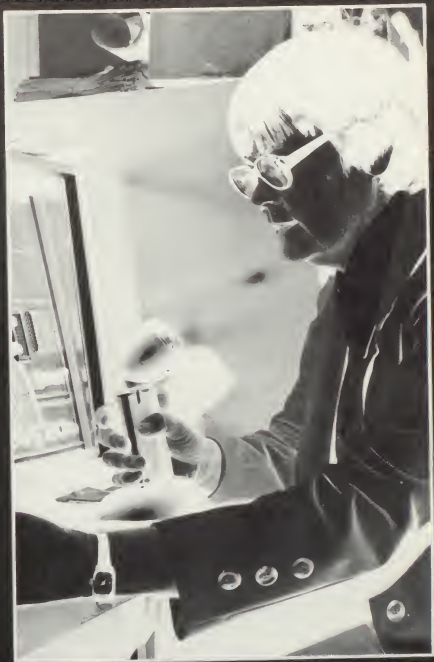

Do I say it with pride?

Well, sometimes.

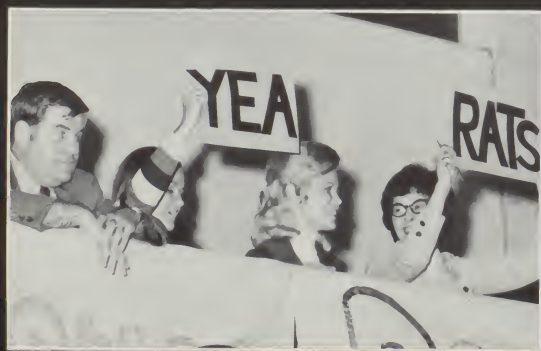

We have the new auditorium and
swimming pool. I think this school
is the only one in the area
that comes complete with buckets
in the halls for rainy days.

THE INNER ATMOSPHERE
of the school portrays a
constant struggle. Do we demand
too much freedom and complain
when we receive half as much
as we wanted? Is that apathy, or
is it growing up?

**THERE ARE THOSE WITHOUT
purpose. There are those
who merely want diplomas.
There are those with a purpose.
There is a secret to finding the
purpose. I just wish someone
would tell what it is, to make
it easier for us to find the purpose.**

I LOOK AT MY LITTLE BROTHERS
with hope. Hope that they will
find and have a purpose. How
important it is that they should
walk this age-old path with
some purpose that they can
call their own.

"Some Enchanted Evening"

Couples danced to soft music at the Junior Prom of 1972-1973, being held for the first time away from school. The prom was presented by the Class of 1974 at the Greek Orthodox Hall, breaking the usual tradition of holding prom in the high school gymnasium.

The theme, "Some Enchanted Evening" was chosen by the juniors and was carried out by decorations of flower-covered pillars with a water fountain surrounded by a tinkling river with gatherings of lily pads.

The high point of the evening came when prom royalty gathered on the stage to await the announcement of King and Queen. Last year's Prom King Dan Absher crowned a surprised Perry Taber and a beaming Gay Peters as King and Queen of the Junior Prom. The couple then led the Grand March around the ballroom. Slowly, the dance began to break up to head for the Post-Prom Party sponsored by the P.T.O. Most prom-goers were up until 4:30 a.m. to finish the not-to-be-forgotten weekend with a cozy picnic at a state park.

Community Involvement proved a success

Along with the new principal came a great deal of changes for the faculty and students of MHS. One of these changes was Community Involvement Day. This was a day to replace the traditional "open house."

On Community Involvement Day, some adults came to school for students and resembled sophomores on their first day of high school. They needed assistance with lockers and other everyday tasks. As for the faculty, they conducted classes as always, some even going ahead with scheduled tests.

"A Football Memory" highlighted season

An excellent football season set the mood for the homecoming dance. The parade, powder puff game, Bonfire and our victory over Lake Central were all in the past, but still fresh in our minds. Free Verse, the band who entertained, put the finishing touches on the dance as couples danced the night away and the homecoming festivities drew to a close.

Juniors placed first

in homecoming parade

The night before the parade is always most hectic around midnight. It seems as if the float will never get done and all nerves are at the breaking point. Everyone wishes that they would have cut out a few nights at Macs and helped more on the float. As pieces of the float are scattered about the floor, getting it together on time looks hopeless.

Suddenly as if by magic all of the pieces assemble themselves and as you stand looking at the finished product you feel very proud.

This year it was the junior class that felt the proudest of any. Their float, "Pirates Will Get A Head", won first place, and they found that all of their hard work was worth it.

Fans came in spite of weather

Powder 100 practice seemed well worth while for the junior players as they beat the sophomores and jumped the senior girls.

Excitement built for the homecoming game that was played on a chilly, but rewarding night. Jackie Smith was announced as the 1973-1974 homecoming Queen and Ken Dike received the honor of being named Mr. Football.

It was the ladies' turn as

Turnabout, the annual dance where girls turn the tables and choose the boys, was held on a balmy December 1 in the school cafeteria. The Christmas mood was felt for the first time as couples danced to the theme "Starlight and Moon Shadow." It was the girl's turn as they searched about for dates and filled the cafeteria for a "liberated" evening.

Sophomore's hold Rock Festival

Mr. Gran chose "Big Rock at Candy's Mountain" as the sophomore's first high school play. It centered around Adam Garrison and his inexperience at trying to get rich quick. Adam tried to hold a rock festival at Candy's mountain, but much to his dismay it was a flop. The play was presented March 7, 8 and 9.

MHS Band placed

Although the Band is a Music Department in school, sometimes it could also be considered along with Athletics. In the fall the Band, which is composed of 92 students this year, marched during all home football games. After football season was over the band practiced for their annual Christmas Concert.

When basketball season started a group of band members were selected to be in Pep Band. They played at all home basketball games and a few swim meets. At this time the band also prepared for their winter concert. The work got a little tougher when they got ready for State Band Contest. This year the MHS Band was the best band in the State. The band also took a trip to St. Louis on a nation-wide scale which proved to be a new and useful experience, educationally. At the end of the band year marching was again on the agenda for parades with Memorial Day, Fourth of July, Labor Day and Homecoming.

This year May 11, was designated Merrillville Band Day, which was a first for the growing town. An all German Band took the place of the Stage Band and it's achievements turned out to be successful.

The biggest organization backing the band was Band Boosters who sponsored the sale of calendars and the Smorgasbords. The money was used to pay off the new uniforms. Other people also helped out with donations for the trip to St. Louis and band members worked as slaves at the Policeman's Ball and at the Jaycee Spaghetti Dinner.

Council regained strength

Merrillville's active members in Student Council consisted of Nick, Cahti, Nina, Mike, Karen, Chris, Terri and Jill. They sponsored the Homecoming Dance which was a success. The council attempted to gain longer lunch hours, soap in the restrooms and they gave money to the mentally retarded. Many hours were spent by a few people to organize the school's first Athletic Day (Olympiad), May 18, 1974. The Olympiad kept the council alive and tried to keep things happening. Student Council was a small club, not a "government."

Prom theme was Camelot

"Camelot" was chosen for the theme of the 1974 junior-senior Prom held on May 4, 1974. For the second straight year, the annual dance was at the Greek Hall and the music was provided by the Crystal Tones. Post-Prom was once again at the Scherwood Club. Seniors said farewell at breakfast

As one of their last official duties, seniors gathered for senior breakfast on May 31. The semi-formal affair lasted but an hour, as the seniors were entertained by Dave Neal and awards were handed out to those who did not receive theirs on awards day. Coffee, milk and doughnuts made up the meal.

After the traditional instructions concerning commencement, a mighty cheer led the way for the seniors to depart the building. After much horn blowing, some shouting, and many smiles, the seniors were gone, to return only for Baccalaureate and Graduation exercises.

The Lifeboats a rock band from Great Lakes Naval Base, performed at MHS in two sessions. Despite a broken leg and drums, they were well received.

Speakers helped to break monotony

A guest speaker doesn't happen by MHS too often. Through the efforts of Mr. Nabhan and several other social studies teachers, we were able to have Mr. Floyd Fithian talk to history and government classes for a day. Mr. Fithian is a history professor at Purdue University. He is also very interested in politics and issues facing our government today. The fact that he has run for U.S. Congressman and will do so in November again, shows his concern for better government.

His talk centered on the three branches of government, their rolls historically as well as in present day and their ability to work together. There was also a question and answer period in which students asked a variety of questions.

Another subject presented to MHS students through a special speaker was "This Atomic World".

New Pirate Cage Coach

As a new coach at Merrillville, Larry Liddle met his goal for a successful season, as he led the Pirates to the Lake Surburban Conference championship.

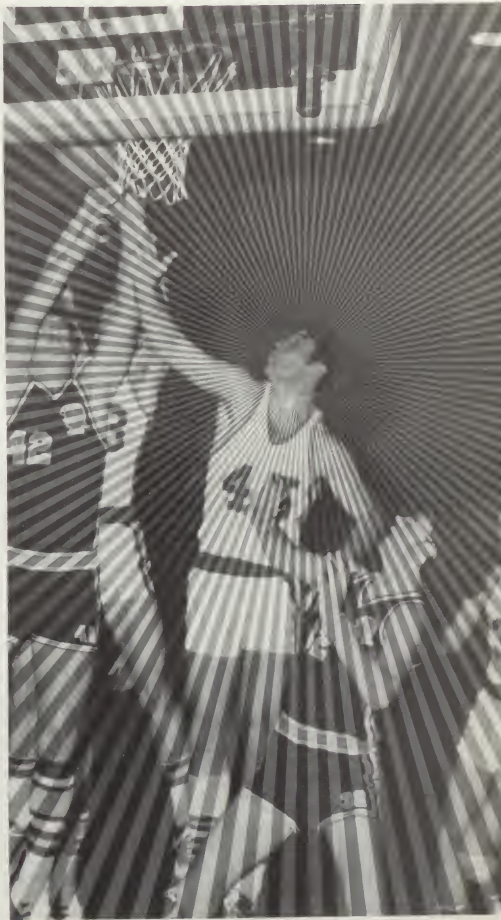

Coach Liddle used his experienced talent as the starting team consisted of five senior lettermen. Underclass netmen got plenty of experience as Liddle used the subs freely while the Pirates ran up a 14-6 regular season record.

first sectional

In his third year as coach of the Pirate swimming team, Lee McCloud led his charges to a 9-5 record and the first swimming Sectional championship in the school's history. Co-captains Randy Masow, Greg Nicholls and Neil Stinson led the Pirates to their most rewarding season ever as they placed ten swimmers in the state championship meet.

Tom Davidson and Neil Stinson finished the year ranked first and second in the state in breaststroke. They were also ranked one and two nationally by "Swimming World" magazine.

Senior's MHS experience told by speakers

The Class of 1974 ended its MHS years under the threatening skies of a northern Indiana evening, but the rain held off so that the class of over 500 could receive their diplomas.

Speakers Mike Vale, Cindy Kiburz, and Martin Neuliep recapped this class's years in high school and wished all the members well. For some members of the class of 1974, school was out forever. For some, school had just begun to get interesting. In either case, it appeared that the clouds of that evening, holding off their rain until the seniors were safely on their way, was a good omen, a sort of good luck wish from mother nature.

For the Class of 1974 it is now history, and it is up to the members of that class to go ahead and rewrite more of the history they made by graduating from Merrillville High School.

ABOVE RIGHT: Dr. Kaupke congratulates Nina Alvarez on her graduation as Mr. Stone looks on. **RIGHT:** Jan Bozich and Barb Brzoska get everything ready to march in. **UPPER CENTER RIGHT:** Mike Vale makes his parting remarks to his graduating class. **FAR UPPER RIGHT:** Martin Neuliep addresses those gathered for the Commencement ceremonies of the class of 1974. **LOWER CENTER RIGHT:** Cindy Kiburz gazes through the palm fronds into the future as she speaks to the graduates. **LOWER FAR RIGHT:** Perhaps wondering what is next, graduate Dave Atzhorn, master of ceremonies for the program, sits on the stage and inquires silently about his immediate future.

ABOVE: Donn Kaupke discusses problems at a school board meeting. **ABOVE CENTER:** As Assistant Superintendent, Dr. Mundy handles all business affairs including purchasing, payroll and budget. **ABOVE RIGHT:** As Assistant Superintendent for curriculum, Dr. Harrell developed a faculty recruitment process which he feels "provides us the opportunity of getting the best qualified personnel available. **RIGHT:** Ross Township School Corporation 1973-74 School Board (L-R): Muriel Carter, Robert Klepack, Jack Morfee, Phyllis Tully, Arthur Collins, Maynard Krueger, Superintendent Kaupke, Assistant Superintendents Harrell and Mundy, and Charles Stoner, attorney.

Administration made progress

The school year of 1973-74 was Dr. Kaupke's third year in Ross Township as superintendent. Dr. Kaupke stated that the School Corporation has continued to make good progress in its goal of excellence—educational opportunity for students. The highlights include: student academic achieve-

ment at all levels, expansion of the special education program, planning for a late summer start on the remodeling project for the high school and a series of seminars for supervisory personnel was held. Assistant superintendents Mundy and Harrell also completed their third years.

New principal aided MHS

We have a new head administrator at Merrillville high this year, Mr. Robert Clark, principal. Mr. Stone completed his fourth year as assistant Principal. His duties include: responsibility for the attendance procedures, the discipline procedures, and working with

Mr. Clark in curriculum development. This was Mrs. Spurr's first year as assistant principal after teaching at Merrillville for 10 years. She is responsible for the book rental system, the insurance program, and she works with the principal in curriculum development.

ABOVE: Mr. Clark goes over the agenda for the day. ABOVE CENTER: Among Mrs. Spurr's duties are the organization of faculty-administration planning sessions, and public relations coordinator. ABOVE LEFT: Along with attendance and discipline matters, Mr. Stone is responsible for regulation of student drivers. LEFT: Answering the phone is not the least of the duties of assistant principals, as Mrs. Spurr shows.

President, Dave Atzhorn

Secretary, Cathi Haberkorn

Treasurer, Kris Kloth

We've finally made it!

The class of '74 faced its final year of high school with much anticipation of the days ahead. For some, college was to be the stepping stone after high school. Filling out applications, taking aptitude tests, and making the grade seemed so important. Others, either employed or seeking employment were more concerned with work loads and pay raises.

No matter what the future would bring for the class of '74, they were living now and participating together in the experience of high school. Anticipation about the future as well as memories of the past prevailed in the minds of the seniors as they closed the door to high school.

High School is a waste of time . . .

... unless you find a job that turns you on and makes good use of your education. Inland Steel wants only people who want to use everything they've learned in high school-and strongly desire to grow personally and in their chosen field.

Inland's future growth depends on the creativity and productivity of its people. If you want a really challenging opportunity to contribute--with the rewards and responsibilities that go with it--Inland wants to talk to you.

We need action-seeking graduates for opportunities in clerical . . . production . . . technical . . . and craft apprenticeship areas.

Think it over. If you have high aspirations and a good high school record, take time to find out about a career with us.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. The Department of Health (2000) has also published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners.
